Games: Tournament Manager and two (2) head coaches not involved in the protest/question.

Committee: The tournament manager will select these coaches.

Team Tourn. The Regional tournament will follow the following format: The top four (4) teams from

Format: each classification will advance to the regional tournament. The tournament will consist of 10 games, three regular and seven baker games. Teams will be paired according to the final division standings (1st vs 2nd, 3rd vs. 4th). Lane assignments for each pair will be drawn and teams will bowl the three regular games on those lanes. Total pins will carry over to the final seven games, which are in baker format. Lanes for the baker format will be assigned based on total pins from the five-person regular game format. The team with the highest total pin count will be assigned the 1st lane, the team with the 2nd highest total pin count will be assigned the second lane, and so on. Each team will rotate one lane to the right after each game. Total pins for all ten games will decide the Regional Champions/State Qualifying Team for each classification.

Indiv. Tourn. The tournament will consist of the three (3) regular games bowled during the team format. The top 10 4A individuals who have met the 60 % regular season quota (see SOP's) from schools/teams that did not qualify for the District Team Tournament, will qualify to bowl in the 3 regular games that are bowled during the team format. Once the team format ends (at the end of the 7th “Baker” game), those individuals from the 4A classification and 2A/3A classification

from the group of 10 and from the teams which do not qualify for state, will advance to the WIAA State Individual Championships based on highest total number of pins scored during the three regular games. Individuals will be placed on lanes according to final league averages (1,3,5,8,10 vs. 2,4,6,7,9). Lanes will be drawn by the coaches prior to the tournament. They will remain on that pair of lanes for the duration of the tournament.

State Qualifiers: One team from the 4A classification and one from the 2A/3A classification with the highest total number of pins at the end of the ten games (3 regular and 7 baker) will advance to the WIAA State Championships. 2 individuals from the 4A classification and 2 from the 2A/3A classification will advance to the WIAA State Individual Championships.
